
Issue Brief – Utah State University Reallocations

NUMBER USHE-12

SUMMARY

Utah State University has requested a small internal reallocation of its General Fund appropriation.

OBJECTIVE

The objective of this recommendation is to more accurately reflect programs where costs are incurred.

DISCUSSION AND ANALYSIS

The Analyst recommends the approval of the reallocation of funds at Utah State University. The reallocation reflects no increase in funding to the University. The detail is shown below:

Education and General	(\$45,700)
Brigham City Continuing Education Center	41,300
Tooele/Wasatch Continuing Education Center	4,400
